The beautiful and simple CAL Family's LED Pedestrian Luminaires depict not only the California lifestyle, but the architecture of California as well. This ornamental piece is a delightful sight to see and a great model to illuminate any urban, rural, retail, or park, or campus setting.

The different caps and shades depict different California styles and a touch of California's historic Spanish mission era. The CAL Family is the perfect selection to combine both design and efficiency in light performance. Designed, tooled, manufactured and assembled in the USA.
